Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single

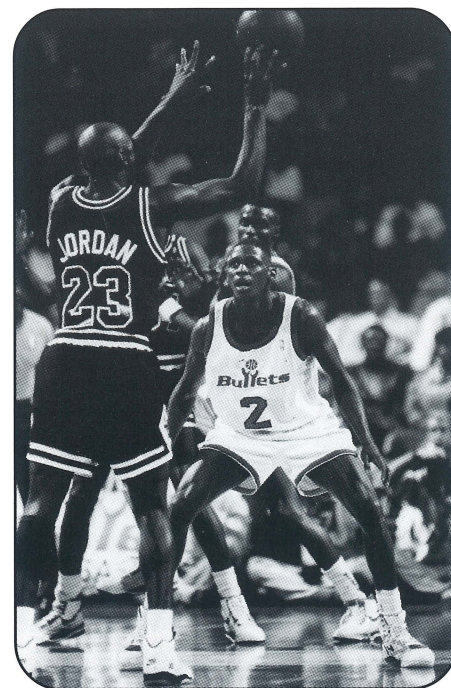

season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In September 2003, Parish was inducted into the National Basketball Hall of Fame.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, and LSU in Shreveport.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern

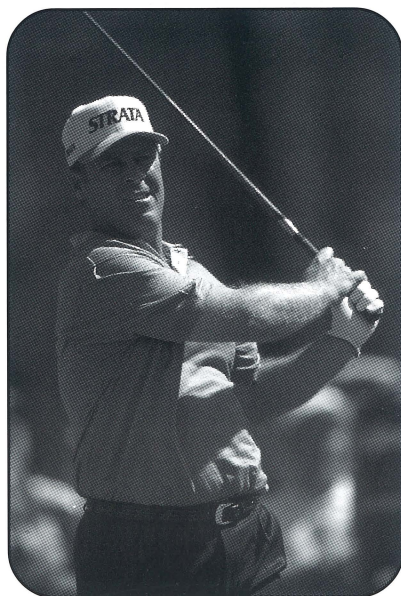

Larry Robinson '90

Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women's soccer team has qualified for the Mid-Con Tournament in two of the three seasons since joining the league in 2003.

The history of the Centenary athletics nickname "Gentlemen" is quite unique. First established in the fall of 1921 by then-Centenary President George Sexton, it seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen."

With the majority of Centenary men also soldiers, the moniker "Gentlemen" or "Gents" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

About Robert Parish

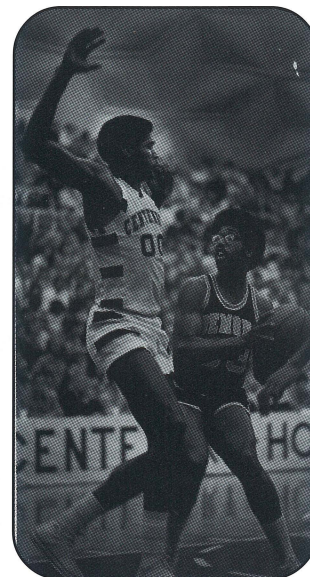

A five-time basketball All-American, Parish led Centenary to an 87-21 mark over four years (1972-1976) and brought national recognition to the Gents program. Behind the 7'1", 235-pound frame of Parish, Centenary broke into the Associated Press national poll at 19th and spent a total of 14 weeks in the Top 20, mostly during the 1975-76 season.

Parish was a dominant force on the basketball court as evidenced by the numerous records he still holds today. He ranks at the top of 12 Centenary all-time lists including most points in a game (50), most field goal attempts in a game (37), most field goals made in a game (25), most rebounds in a game (33), season (505), and career (1,820), highest single-season (18.7) and career (16.9) rebounding average, and most blocked shots in a game (10) among others. Parish holds the 10 best single-game rebounding efforts in school history and claims 16 of the top 22 overall. His four years playing in the maroon and white still serve as the top four single-season rebounding averages.

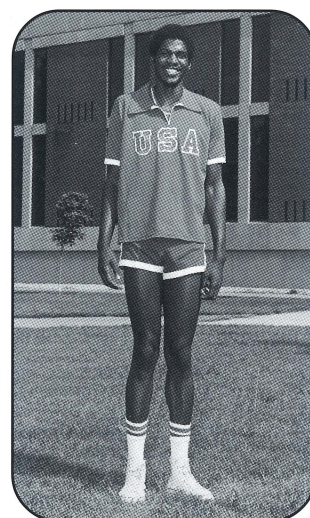

Parish was drafted by the Golden State Warriors and played 21 seasons in the NBA. "The Chief" as he was called, helped the Boston Celtics to three NBA Championships, was selected to nine All-Star games and was named one of the 50 Greatest Players in NBA History in 1996. His trademark jersey number 00 has been retired by both Centenary and the Boston Celtics.

Robert Parish's Accomplishments at Centenary

- Robert led the 1973-74 Gents to a 21-4 record and the school's first-ever national ranking in the Top 20.
- His 1974-75 team was also ranked in the Top 20 nationally and posted a school-best record of 25-4.
- The 1975-76 Gents ranked in the Top 20 nationally for 11 weeks and finished ranked 19th with a mark of 22-5.
- During Robert's career, the Gents defeated high profile schools such as Indiana State, Arkansas, Hawai'i, Texas, and Houston while suffering close losses to Arizona and Arizona State.
- Robert scored a total of 2,334 points in 108 games in his Centenary career for an average of 21.6 points per game, which still ranks third in school history.
- He collected a Centenary-best 1,820 rebounds in his career. That total is still over 800 rebounds better than the next closest Gent today.
- He scored more than 36 points three times in his career and grabbed better than 20 rebounds on 16 occasions.
- Robert owns the four-best single-season rebounding averages in school history at 18.7, 18.0, 15.4, and 15.3 rpg.
- Perhaps one of the best senior seasons of any player, Robert averaged 24.8 ppg and 18.0 rpg in his final season in a Gents uniform.
- For his career, Robert averaged a double-double of 21.6 ppg and 16.9 rpg.

Centenary may be one of the smaller Division I schools in the nation, but that has not stopped the professional scouts from coming to the Gold Dome. Overall, 12 Gents players have been drafted in the NBA or ABA and recent players such as Andrew Wisniewski and Ronnie McCollum have attracted national attention. Scores of former Centenary basketball players have also enjoyed successful playing careers in Europe. Two of Centenary's more famous NBA alums include Robert Parish (Boston, Charlotte, Chicago) and Larry Robinson (Golden State, Washington, Boston, Houston, Vancouver, Cleveland, Atlanta, New York).

DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student-athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in

1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over \$100 million for the college. This amount exceeded the initial goal by over \$30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student-athletes.

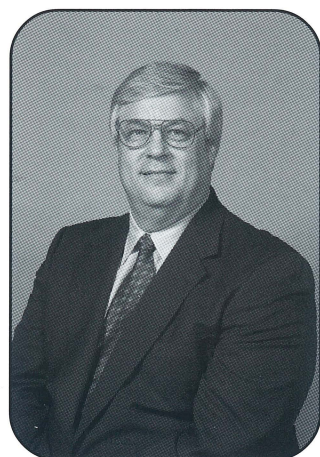

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempton, Carlton, and Christopher) played select soccer throughout their school years.

Centenary President Dr. Kenneth Schwab cheers along with the students in the stands at the Gold Dome.

TAYLOR MOORE

Director of Athletics

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of health and exercise science after serving as athletic director for almost four years.

A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001, he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore took over an athletics division that began play in the Mid-Continent Conference in the fall of 2003 after four years of playing as an independent school unaffiliated with a conference. His experience and leadership will ensure that the Centenary athletics program will continue to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long, I felt like I was coming home when I accepted this position. I have great respect for the College and its role in Division I competition."

Since becoming director of athletics, Moore has improved several facets of the overall program. He has led the charge in reinventing the booster club and has transformed it into the healthy organization it is today, known as the C Club.

Under his guidance, renovations to the Mayo Soccer Complex have taken place and other facilities improvements are under way. In addition, supplemental staff such as assistant coaches and a director of marketing and promotions position have been created.

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore is a board member of the Frost Foundation and the Committee of One Hundred. Before taking over as athletic director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.

Moore knows the Centenary athletics department very well, having served as the head baseball coach for the Gents during the 1974 and 1975 seasons.

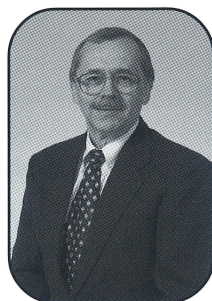

Director of Athletics Taylor Moore speaks in the Wilhite Media Room at a press conference.

GLENN EVANS **Academic Support**

Centenary College is committed to each student-athlete as a total person. While the student-athlete at Centenary is given an opportunity to attain athletic goals, the objective is to assure the academic success of student-athletes in the classroom as well.

Under the direction of Glenn Evans, a former Centenary student himself, the Academic Support division of the Ladies and Gents athletic department works closely with student-athletes from all 16 sports on a daily basis.

In order for students to compensate for the hours necessary to prepare for competition, a rigorous academic discipline has been established to help achieve their potential. Centenary's study hall program and tutoring sessions have proven an invaluable asset to the Ladies and Gents over the years.

As the Director of Academic Support, Evans communicates with the Centenary faculty to assess the academic progress and needs of our student-athletes. Those individuals deemed to be at-risk academically are recommended for participation in one of our academic assistance programs. Counselors also assist student-athletes with meeting the requirements of graduation.

A former coach, Evans was the pioneer of Centenary's soccer program, but stepped down after the 1996 season as head coach of the Gents' and Ladies' soccer programs. He is now focusing his attention on directing the Academic Support program for Centenary in addition to serving as the assistant women's soccer coach.

The Herkimer, New York native earned a B.S. in health and physical education from Centenary in 1969. He received a master's degree in education from the University of Georgia in 1970. He and his wife, Karen, have four sons: Chad, Scott, Trey, and Brian.

The Leading Ladies

KEELEY PRATT **Danceline Sponsor**

Keeley Pratt once again leads Centenary's performance group during the 2006-07 basketball season. Pratt is the sponsor of the Leading Ladies danceline after serving as a captain and member of the group for two years until graduating from Centenary in 2001. The Leading Ladies perform at all home basketball games and travel to the Mid-Continent Conference Tournament in March every year.

Pratt has worked hard to improve both the enjoyment shared by the crowd through quality halftime performances and the enjoyment of Leading Ladies members themselves through various team-building projects. For example, for the past three summers the squad has taken part in a summer camp provided by Dallas-area choreographer Kendra Kelley. The Ladies learned several new routines to be unveiled this season and received valuable

instruction on technique.

As sponsor, Pratt hopes to continue the long-standing tradition that is the Centenary Danceline by getting alumni more involved. By sharing their knowledge and experience with current members, she seeks to bring the Leading Ladies family together to ensure its future success.

The danceline is well appreciated by the basketball teams and the student body for the many hours and hard work put into training in order to provide an exceptional atmosphere in the Gold Dome during games. The Leading Ladies truly represent what a spirit group is all about as the members receive no scholarships for their time and effort. They simply enjoy performing and cheering for the school they love, Centenary College.

Chu's primary responsibilities include serving as the primary media contact for both the men's and women's soccer programs, women's basketball, men's and women's swimming, men's and women's golf and baseball. In addition, he will serve as the on-site statistician for many Centenary home athletic events.

Prior to Centenary, Chu served two years as the Media Relations Assistant with Niagara University, near Niagara Falls, N.Y.

A native of Lewis Center, Ohio, Chu graduated from The Ohio State University with a bachelor of arts degree in journalism. DOUG GREENWALD Radio Broadcaster

Doug Greenwald is back for his seventh season as the play-by-play voice of the Centenary Gents. He also hosts the Rob Flaska Coach's Show live from Buffalo Wild Wings as part of his duties.

Greenwald is the director of broadcasting for the Fresno Grizzlies of the Pacific Coast League, the Triple-A affiliate of the San Francisco Giants. Greenwald has been a minor league baseball announcer for 11 years, working in the California League, the Texas League, the Western League, the Hawaii Winter League, the Midwest League, and the Texas-Louisiana League. In 2005, Greenwald was presented with the Ralphie Award which honors the minor league broadcaster of the year as chosen by the Minor League News.

A 1996 graduate of Boston University, Greenwald is originally from San Francisco, Calif., but has made Shreveport his winter home for more than seven years. He arrived in Shreveport in January of 2000 after being named the radio voice of the Shreveport Captains, Double-A affiliate of the San Francisco Giants.

Between baseball and basketball, he enjoys spending time in San Francisco bothering his parents Hank and Carla Greenwald and his sister Kellie. His friends joke that he is biologically programmed to watch a baseball or basketball game each night of the week.

This season all Centenary Gents basketball games will broadcast locally in the Shreveport area on KSCL 91.3 FM. Most games can also be heard over the internet on Sportsjuice.com. For up-to-date info regarding Gents basketball, visit our website at www.GoCentenary.com.

"HOME OF THE GENTS"

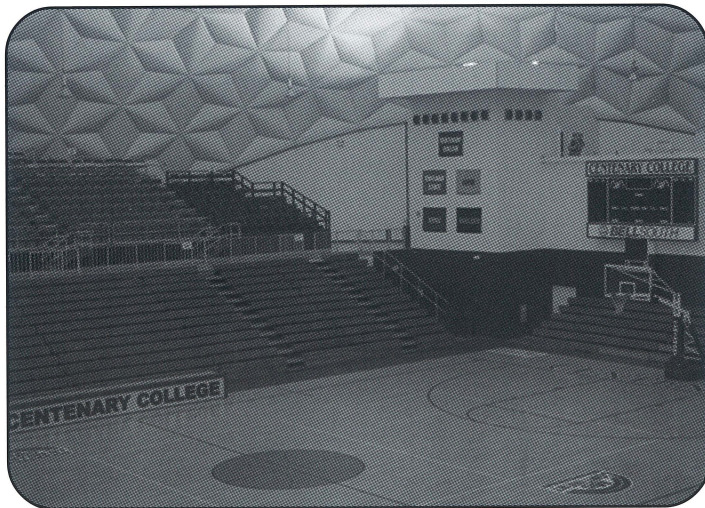

The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary Gents basketball team, the Gold Dome is also the home of the Centenary Ladies basketball and volleyball teams as well as the gymnastics team.

The multi-purpose facility, constructed at a cost of \$1.3 million plus equipment, has a seating capacity of 3,000 with cushioned armchairs on the upper level and bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic department, the Donnie Wilhite Media Room, the C Club room, and seven large carpeted dressing rooms.

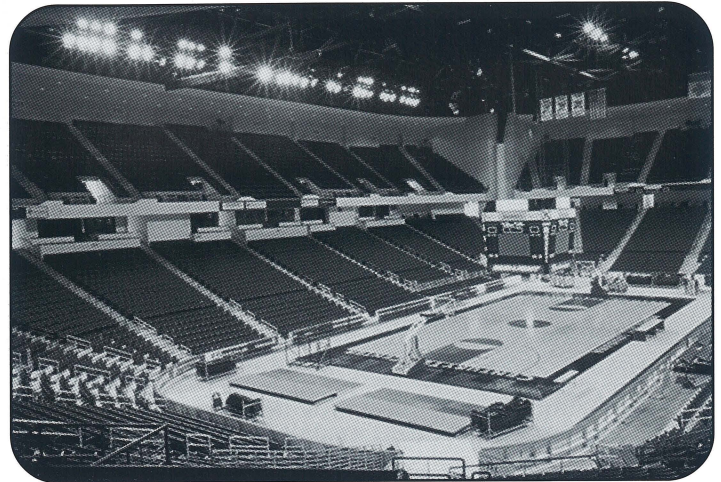

Like the building itself, the floor area is multi-purpose. A portable hardwood floor is used for basketball. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts.

In the fall of 2002, the Wilhite Media Room was completed inside the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.

The Gents were 56-11 inside the friendly confines of the Gold Dome from 1998 to 2004 which included a 20-game win streak.

The dome was designed by the Shreveport architectural firm of Somdal-Smitherman-Sorensen-Sherman and Associates. Whitaker Construction Company of Shreveport was the contractor and the Temcor Company of California erected the gold-colored dome.

The Gents hosted Georgia Tech in the CenturyTel Center in 2006 and will welcome Louisiana Tech to the arena this season.

THE CENTURYTEL CENTER

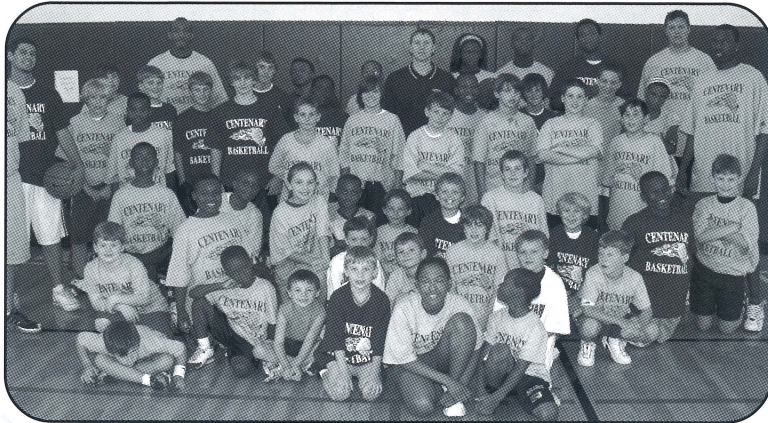

Opened in October 2000 and located on the banks of the Red River in Bossier City, La., the CenturyTel Center is a 270,000 square foot multipurpose facility capable of hosting up to 14,000 patrons. The nationally recognized venue features world-class concerts, basketball games, family shows, ice skating shows, motor sports, rodeos, conventions, religious and community events, as well as other special events.

Since the beginning, the CenturyTel Center has been home to the Shreveport-Bossier community's Mudbugs hockey club of the Central Hockey League and the Bossier-Shreveport Battle Wings franchise of the Arena2 Football League.

Recently, the CenturyTel Center was the site for an NHL exhibition hockey game and an NBA exhibition game between the San Antonio Spurs and the New Orleans Hornets.

Centenary obtained the use of the arena for the first time in 2004 when the Gents hosted LSU. The team hosted Georgia Tech there in 2006 and this season the Gents will welcome the Louisiana Tech Bulldogs to the CenturyTel Center.

vidual skills. Areas of focus include shooting, passing, rebounding, defending, footwork, cutting, screening, and ball handling.

The summer camps also provide the opportunity for entire teams to participate together and receive top level instruction through Team Camp. Campers can also choose the overnight camp which allows participants to enjoy a full day of camp activities and then remain on campus for further fun. Those interested will sleep in the Centenary dorms with a roommate and eat all meals in the cafeteria.

The Centenary Camps have been well attended over the years and no matter what age you are there is a camp that is right for you.

In The Community

One of the most unique aspects of the Centenary Gents basketball team is the commitment of the players and coaches to the Shreveport-Bossier community.

One way that the Gents are able to show that commitment is with the community service programs that the coaches have implemented for the players to take part in.

The Gents get into the community through their holiday community service projects, mainly over the Thanksgiving break. Because the players are still actively involved in the season during this time, they spend their holiday season helping others. Whether it is serving food at a homeless shelter or just spending time with people who are less fortunate than they are, the Gents enjoy their time in the community.

The men's basketball team helped in the hurricane relief efforts in the Shreveport-Bossier area and also took part in the Race for the Cure benefitting cancer patients. They also continue to make regular visits to the Shriners Hospitals for Children.

"It is very rewarding for us as a team and as a coaching staff to be active in our community," said Flaska. "It makes us appreciative of what we have and aware of how much we can help others."

ROB FLASKA Head Coach

Rob Flaska enters his second season as head coach of the Gents after being named to the position on March 31, 2005. He leads the Centenary men's basketball program into an exciting new era in the Gold Dome by renewing old rivalries and bringing top-notch competition to Shreveport.

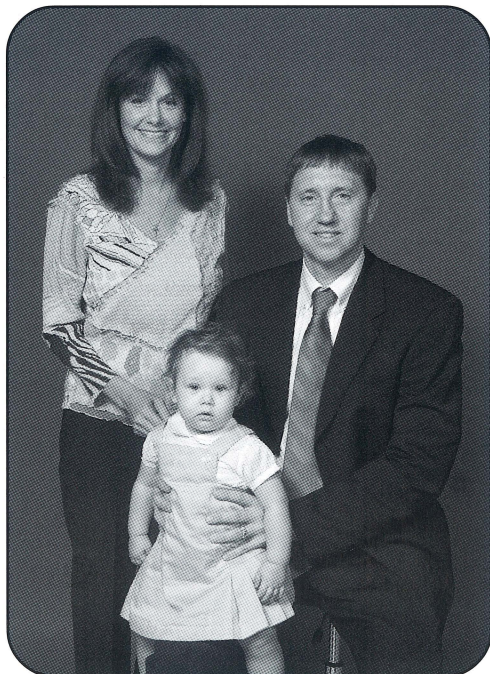

Prior to coming to Centenary, he spent three seasons as an assistant at Arkansas. His coaching experience includes eight years as a highly successful college head coach at two schools and 11 years as a Division I assistant coach with a stop at TCU from 1999 to 2002.

Flaska, who served as Arkansas' recruiting coordinator from April 2002 to March of 2005, helped bring in two consecutive consensus top five recruiting classes (2003 and 2004) according to all major recruiting publications. Those recruiting classes included NBA lottery picks Al Jefferson (Boston Celtics) and Ronnie Brewer (Utah Jazz). Flaska's first recruit at Arkansas, Eric Ferguson, completed his career in the top five for assists and steals in the Razorback record books. *Basketball Times* and *Hoop Scoop Magazine* listed him as one of the top assistant coaches in college basketball.

At TCU, Flaska worked under Billy Tubbs, helping lead the Horned Frogs to four of the 10 winning seasons in the school's history with records of 21-11 in 1999, 18-14 in 2000, 20-10 in 2001 and 16-14 in 2002. TCU finished first or second in the nation in team scoring average each of his four seasons in Fort Worth. Flaska was responsible for signing Corey Santee, now the Horned Frogs' all-time assist leader and second leading scorer in school history.

Flaska helped put together recruiting classes at TCU which were ranked three straight years as the best in the Western Athletic Conference (WAC) by all major recruiting rating services and magazines, including *Basketball Times*, *Basketball News*, *Street and Smith's*, *The Sporting News* and *Dick Vitale's*. The 1998 class was voted as high as 13th-best and the '01 class 34th-best in the nation.

As a head coach, Flaska compiled a 64-31 record over three seasons (1996-98) at Florida Community College in Jacksonville, Fla. (FCCJ). He was also the head coach at Mott Community College in Flint, Mich., for five seasons (1986-91), posting a record of 121-44. At FCCJ, his team earned top 20 national rankings and reached the Region XII finals in 1997. At Mott, his teams won the Michigan Eastern Conference Championships in '89, '90 and '91, the state title in 1990, and a Region XII championship with a national finalist finish in 1991. He was voted conference coach of the year in '89, '90 and '91, state coach of the year in 1990 and Region XII coach of the year in 1991.

The Flaska Family - Joni, Riley, and Rob

Flaska, who earned a master's in business administration (MBA) from Indiana State University in 1984, has had more than 50 players earn scholarships to four-year schools. At FCCJ, he signed Marquis Gainous, the school's all-time leading scorer and only player ever to be named to the NJCCA All-America team. At Mott, 16 of his last 17 players graduated.

Flaska also served as an assistant coach at Trinity Valley Community College (1992-95) for Hall of Fame Coach Leon Spencer, where he recruited five first-team All-Americans including Eddie Robinson (Charlotte Hornets). Prior to Trinity, he served as an assistant coach and assistant athletic director at Texas-Pan American (1991-92), where he recruited Grey Guy, the 1993 NCAA Division I scoring champion.

Flaska prepped at Glen Lake High School in Maple City, Mich., under Hall of Fame Coach Don Miller and led his team to the 1977 state championship while earning all-state honors. He played at Michigan Tech, leading the team to its first four winning records in school history and setting school records for assists and steals along the way.

He began his coaching career as an assistant coach at Indiana State University (1982-84) and as an assistant at the University of Detroit (1984-86).

Flaska, who has a son Charlie (17), is married to Joni of Fort Worth and they have a daughter, Riley Nicole, born July 4, 2004.

TODD RUSS
Assistant Coach

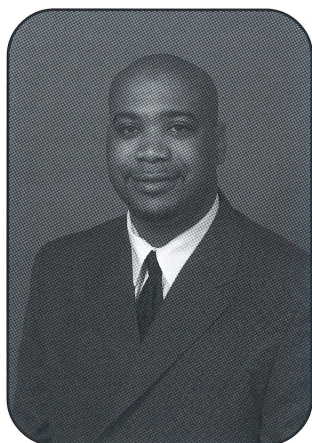

Todd Russ enters his first season as an assistant coach with the Centenary men's basketball program. He joins the Maroon and White after three years at Nicholls State University. He will be involved in all aspects of coaching for the Gents such as on-floor coaching, recruiting, and practice planning.

A native of White Castle, La., Russ also worked as the head coach of Ascension Catholic High School for a season. While with the Bulldogs, he helped the team improve by 10 victories over the win total of the previous season. Prior to his stint at Ascension Catholic, he served as an assistant coach at The Dunham School.

Russ spent two years as a player at Nicholls State during the 1994-95 and 1995-96 seasons. He helped the Colonels to a Southland Conference Regular Season Championship and a trip to the NCAA Division I Basketball Tournament as the No.13 seed. Before transferring to Nicholls, the guard played one season at the University of Idaho.

Russ enjoyed his high school playing days at White Castle High School. He led his 1991 team to the Class A State Championship in addition to being named the Most Valuable Player of the title game. In 1992, Russ took his team back to the championship game and finished as the state runner-up, again claiming the title game MVP award.

Married to the former Wynona Lawrence, Russ and his wife have two children, Todd Jr. and Te'a.

BOBBY TAYLOR
Assistant Coach

Bobby Taylor is in his first season as an assistant coach for the Centenary Gents. He will be involved in all aspects of the men's basketball program including on-floor coaching, recruiting, and conditioning in addition to various other duties.

Taylor comes to Centenary after a stint as the Player Personnel Director for the Grand Rapids Rampage of the Arena Football League (AFL). His love for the game of basketball has brought him back to the hardwood floor where he has several years experience in the coaching ranks.

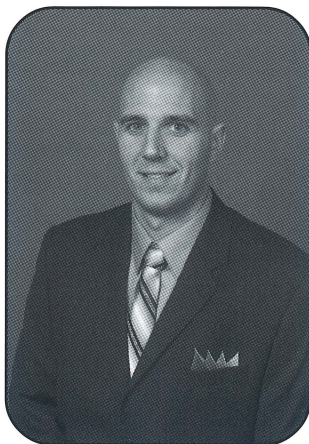

Taylor most recently served as a head coach for Kansas City Elite Basketball, Inc. Prior to that, he was the assistant coach at Texas A&M-Corpus Christi for two seasons where he became familiar with the Centenary basketball program as the two teams faced off twice a season during his time with the Islanders.

From 1998 to 2000, Taylor was the assistant basketball coach at Grand Valley State University and he held the same position with Paris Junior College from 1996 to 1998.

Taylor and Centenary head coach Rob Flaska first met at Mott Community College. Taylor played for Flaska at MCC, Flaska's first head coaching position, where he helped his team to the Region XII Tournament. He was the Team Captain, was named NJCAA All-Region XII and MCCA All-State, and was Mott's Male Athlete of the Year in 1988.

After leaving Mott, Taylor extended his basketball career by playing for the University of Toledo. While there, he was selected as the Team Captain for the 1989-90 season and was named Honorable Mention All-Mid-American Conference.

Taylor earned his bachelor of science degree from Toledo in 1990 after receiving his associate of arts from Mott Community College in 1988.

JUD KINNE
Assistant Coach

Jud Kinne enters his first season with head coach Rob Flaska and the Centenary Gents. His duties are all-encompassing with emphasis on on-floor coaching, recruiting, and conditioning.

Kinne comes to Centenary after serving as an assistant to the men's basketball program at Arizona State University under head coach Rob Evans. While at ASU, he helped coach a conference Freshman of the Year candidate in Jeff Pendergraph and an All-Region player in Kevin Kruger.

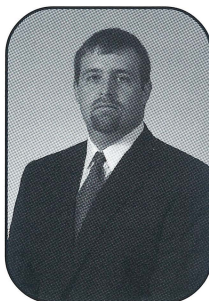

Before Arizona State, Kinne spent two years as Assistant Coach and Recreation Director at Marygrove College in Detroit. During that time, he coached four All-Americans and three players who went on to play professionally.

Kinne began his coaching career as a student assistant at Albion College where he worked with legendary coach Mike Turner, one of the winningest active Division III coaches with almost 500 victories. Two other former Turner assistants are currently coaching at the Division I level, Jeff Smith at Oakland University and Arkansas head coach Stan Heath. Flaska served as an assistant to Heath at Arkansas prior to accepting the head position at Centenary.

Looking to learn as much about the game of basketball as possible, Kinne has worked several camps including those at Michigan, Michigan State, Arizona State, San Diego, and others.

Alan Edwards

Alan Edwards is in his 12th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

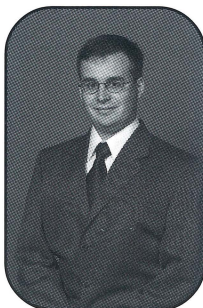

Dustin Bradstreet enters his fourth year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

The 2005-06 season was an adjustment period for both the players on the Centenary team and for first-year head coach Rob Flaska. Learning a new system brought its challenges for the Gents while evaluating personnel and assigning roles took some time as well for the coaching staff. However, by the end of the season both components of the Centenary Gents basketball team were operating as a cohesive unit and the results were apparent in several quality games.

The season began with an 84-73 victory in the Gold Dome over UT-Tyler. The Gents then took to the road for tough contests against SMU and Ole Miss, both losses. Centenary next suffered a 76-74 loss to the Southland Conference Champion Northwestern State Demons, a game the Gents led almost entirely. The same circumstance presented itself in an 87-79 loss to Birmingham-Southern as Centenary failed to hold the lead for the second straight game.

A road loss to Stephen F. Austin was followed with a vindicating 79-70 win at home over Birmingham-Southern. An eight-game losing streak ensued with losses to UAB, Nicholls State, Western Illinois, and UMKC on the road in addition to home defeats to Valparaiso, Houston, Georgia Tech, and Chicago State. The streak ended with a thrilling 67-65 win in the Gold Dome over Mid-Con foe Southern Utah on January 14th.

A loss to IUPUI and another win over Oakland seemed to get the Gents headed in the right direction with victories in two of the last three games. But the momentum would not hold as Centenary fell in each of its final nine games.

Although Centenary finished with a record of 4-23 overall and 2-14 in the Mid-Con, the Gents played a much more competitive season if you look closer at the numbers. The team lost 11 games by 10 points or less including four losses of five points or fewer.

The Gents struggled with their point guard play at times and sorely missed Tyrone Hamilton who took a redshirt year after an impressive freshman campaign in 2004-05. Hamilton (Shreveport, La.) provides Flaska with a centerpoint from which to build the team around this season. As a freshman, the point guard finished second on the team with 12.5 ppg to go with 3.9 apg. He led the Gents with 50 three-pointers and shot over 40% from downtown. His strong play was recognized by the coaches and media alike as he was named to the All-Mid-Con Newcomer Team. This year he has been named Second Team Preseason All-Mid-Con.

"Tyrone is the best scorer on our team," said Flaska. "He is a guy you can go to at crunch time for the key basket and is one of the best returning players in the conference."

With Hamilton back in the mix and a solid pair of seniors in Larry Logan (Kalamazoo, Mich.) and Alexander Starr (Dallas, Texas), the Gents look primed to turn some heads in the Mid-Con this season. Starr averaged 9.5 ppg as a junior transfer from Paris JC last year and finished second on the team in rebounding (4.7 rpg) while leading the Gents in assists

(85) and steals (37). Logan was tops on the squad with a rebounding average of 4.9 per game and added 7.3 points per contest in his first season after transferring from Owens CC.

Only two other players return from the 2005-06 roster, guard Bryan Baumann (Allen, Texas) and small forward E.J. Kusnyer (Wexford, Penn.). Baumann will see more time as the shooting guard after being forced to play the point guard position last year. He was second on the team with 41 three-pointers and 29 steals. Kusnyer averaged only 6.8 minutes per game while connecting on 13 of his 48 three-point attempts.

Six newcomers look to step in and contribute immediately in addition to a pair of freshman redshirts. Jeff Montague (Colleyville, Texas) and Travis Hill (Bedford, Texas) return after a year of practice under Flaska while sitting out the 2005-06 season. Freshmen Chase Adams (Baltimore, Md.) and Jerrald Bonham (Plano, Texas) will also look to crack the lineup after averaging 10 points and six assists and 12.7 points and 9.4 rebounds per game respectively on the prep level.

Sophomore transfers Lance Hill (Houston, Texas) and Nick Stallings (New Orleans, La.) will see time right away as will junior transfers Iman Shokouhizadeh (Huskvarna, Sweden) and Xabi Zusperreguy (Paris, France). The 6'7" Hill

posted 10.4 ppg and 5.6 rpg at Jacksonville College as a freshman and the quicker Stallings (6'2") used his speed to account for 10.0 ppg and 3.0 assists at SW Mississippi JC. Shokouhizadeh, a 6'6" guard/forward combo, dropped 10.0 ppg and 5.0 rpg at Moberly CC and the 6'8" Zusperreguy tossed in 10.0 ppg and 6.0 rpg at Highland CC.

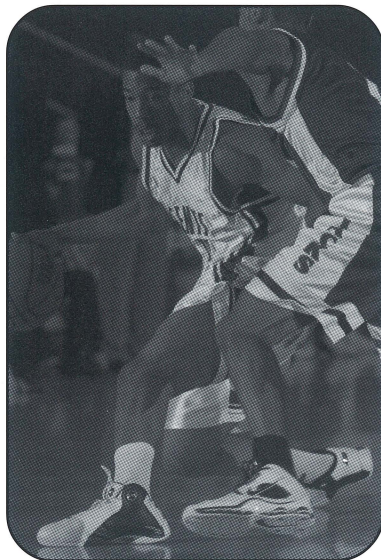

Coach Flaska continues to put together a tough schedule in order to prepare the Gents for conference play in the second half of the season. This year is no different as Centenary takes on a total of eight schools from the WAC, Conference USA, Big 12, ACC, and the Mountain West.

The 2006-07 campaign kicks off at TCU, a former coaching stop of Flaska. After the home opener on Nov. 14th with Texas State, the Gents take to Alaska for the Top of the World Classic where they will face Utah State in the opening round.

The week of Nov. 28th begins the first of two rivalry games for Centenary. The Gents travel to battle I-49 foe Northwestern State for the 150th meeting in the series and then host former Trans America Athletic Conference rival Arkansas-Little Rock for the 34th time.

December will be a test for the Gents as they travel to Texas Tech, Georgia Tech, Texas, and Texas State in addition to hosting Nicholls State and SMU in the Gold Dome. A neutral site game in Bossier City against Louisiana Tech for the 124th meeting in the series is also on the docket.

Mid-Con play begins on Jan. 4th with Valparaiso at home. The conference tournament is slated for March 3rd-6th.

Now in its 25th year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95

The league's revamped line-up includes Buf-

falo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-00

Southern Utah is the first Mid-Con school to win an NCAA Cross Country regional with a victory in the Mountain Region. The Thunderbirds went on to finish 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the

Mid-Continent Conference

Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming & diving programs set league records for consecutive titles when they

sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track & field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Western Illinois' Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

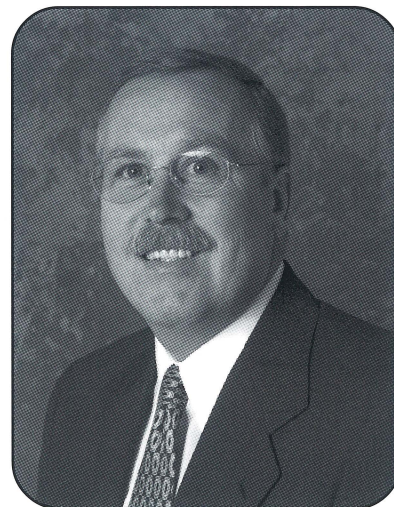

2004-05

Oral Roberts' Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors. Oakland claims the Mid-Con men's basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed. In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round. For the second consecutive season, Oral Roberts' baseball team collected a pair of victories in the NCAA tourney. The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland's Paul Phillips was the top Mid-Con player chosen in the ninth round. Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm, while ORU's Mable Kunihiro garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

2005-06

Eastern Illinois and South Dakota State are added as associate members in the sports of men's and women's swimming and diving.

The Oral Roberts baseball team becomes the first Mid-Con team to advance to the NCAA Baseball Super Regionals with wins over Oklahoma State and Arkansas. Western Illinois' Zane Teilane becomes the first Mid-Con women's basketball player to be drafted when she is the 35th overall pick in the WNBA Draft by the Detroit Shock. Oakland's Chris Sullivan earns All-America honors in the 100 butterfly and 100 freestyle with Top 8 performances at the 2006 NCAA Swimming and Diving Championships. Western Illinois' Aubrey Martin (shot put) and Oral Roberts' Prince Mumba (800-meters) garner All-America honors twice with Top 8 finishes at the NCAA Indoor Track and Field Championships and NCAA Outdoor Track and Field Championships. WIU's Jennifer Gilson takes home All-America accolades at the 2006 NCAA Indoor Track and Field Championships, while ORU's Diana Chelimo also earns All-America honors at the 2006 NCAA Outdoor Track and Field Championships. Ron Bertovich resigns as commissioner and is replaced by Tom Douple. Chicago State leaves the Mid-Continent Conference following the 2005-06 season.
